Location of vineyards: Canale d'Alba
Soil: calcareous and clay
Harvest: The end of August
Winemaking: Steel
Format: 75 cl.
Serve at: 12/13°C

Vinivication: short maceration and early racking

Sensory Profile: A wine with good structure, refreshing, created from the careful blending of the best red grapes of Piedmont, a fresh wine with distinct floral notes, the nose is fruity.

Fermented in large steel tanks, this wine gives the Plaisir Rosé its characteristic colour and unique and inimitable flavour and aroma profile. The colour is a pink lifted with subtle nuances of ruby red.

It is an excellent accompaniment with appetizers, entrees and light pasta dishes as well as simply prepared fish.
